

## ~Attention Nashoba Music Parents~

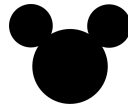

*You're invited to a Friends of Music social gathering on Monday, September 10 at 6:30 PM in the band room.*

**Friends of Music** is our High School Music Department parent and community non-profit booster organization. Your help in this organization helps provide financial support for events throughout the year, organize our program book for concerts, provides food for football games and other events, and meets many other financial needs throughout the year.

Without the help of Friends of Music, we would not be able to provide your students with the best musical experience possible. Come learn about ways you can get involved in helping to enhance our music program for your students.

*We hope to see you there!*

*Following this social gathering...*
